Super Wonder Triangle is the wonderful chocolate. What are you waiting for? Don't forget to buy Super Wonder Triangle. In this chocolate the almonds are shaped like hexagons, rectangles, squares, trapezoid and a rhombus. The chocolate has coconut and is made out of milk. Once you use this incredible chocolate you will want more. You will find these chocolates in any chocolate stores you go to. First five customers will get a box of chocolate that have 20 chocolates for only 10\$. If you call us at 514-374-9617.

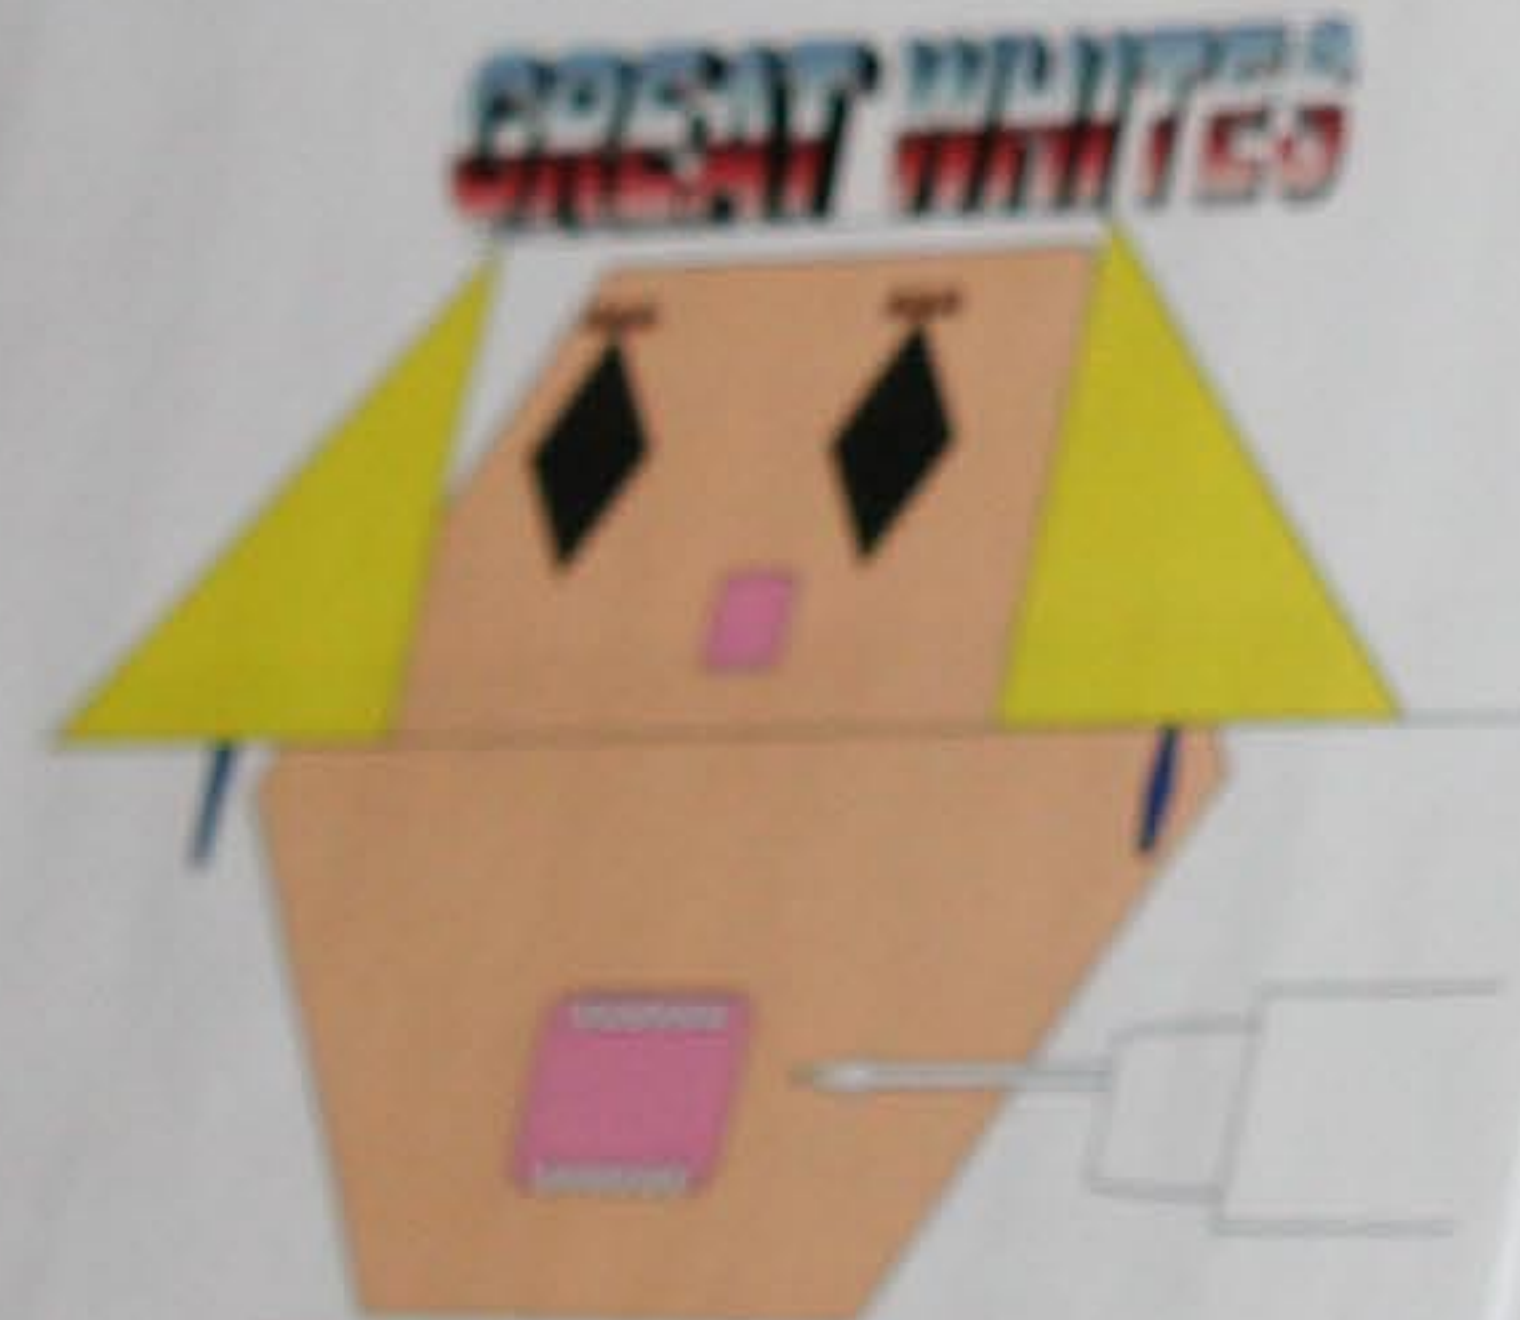

**Spartan Stick**

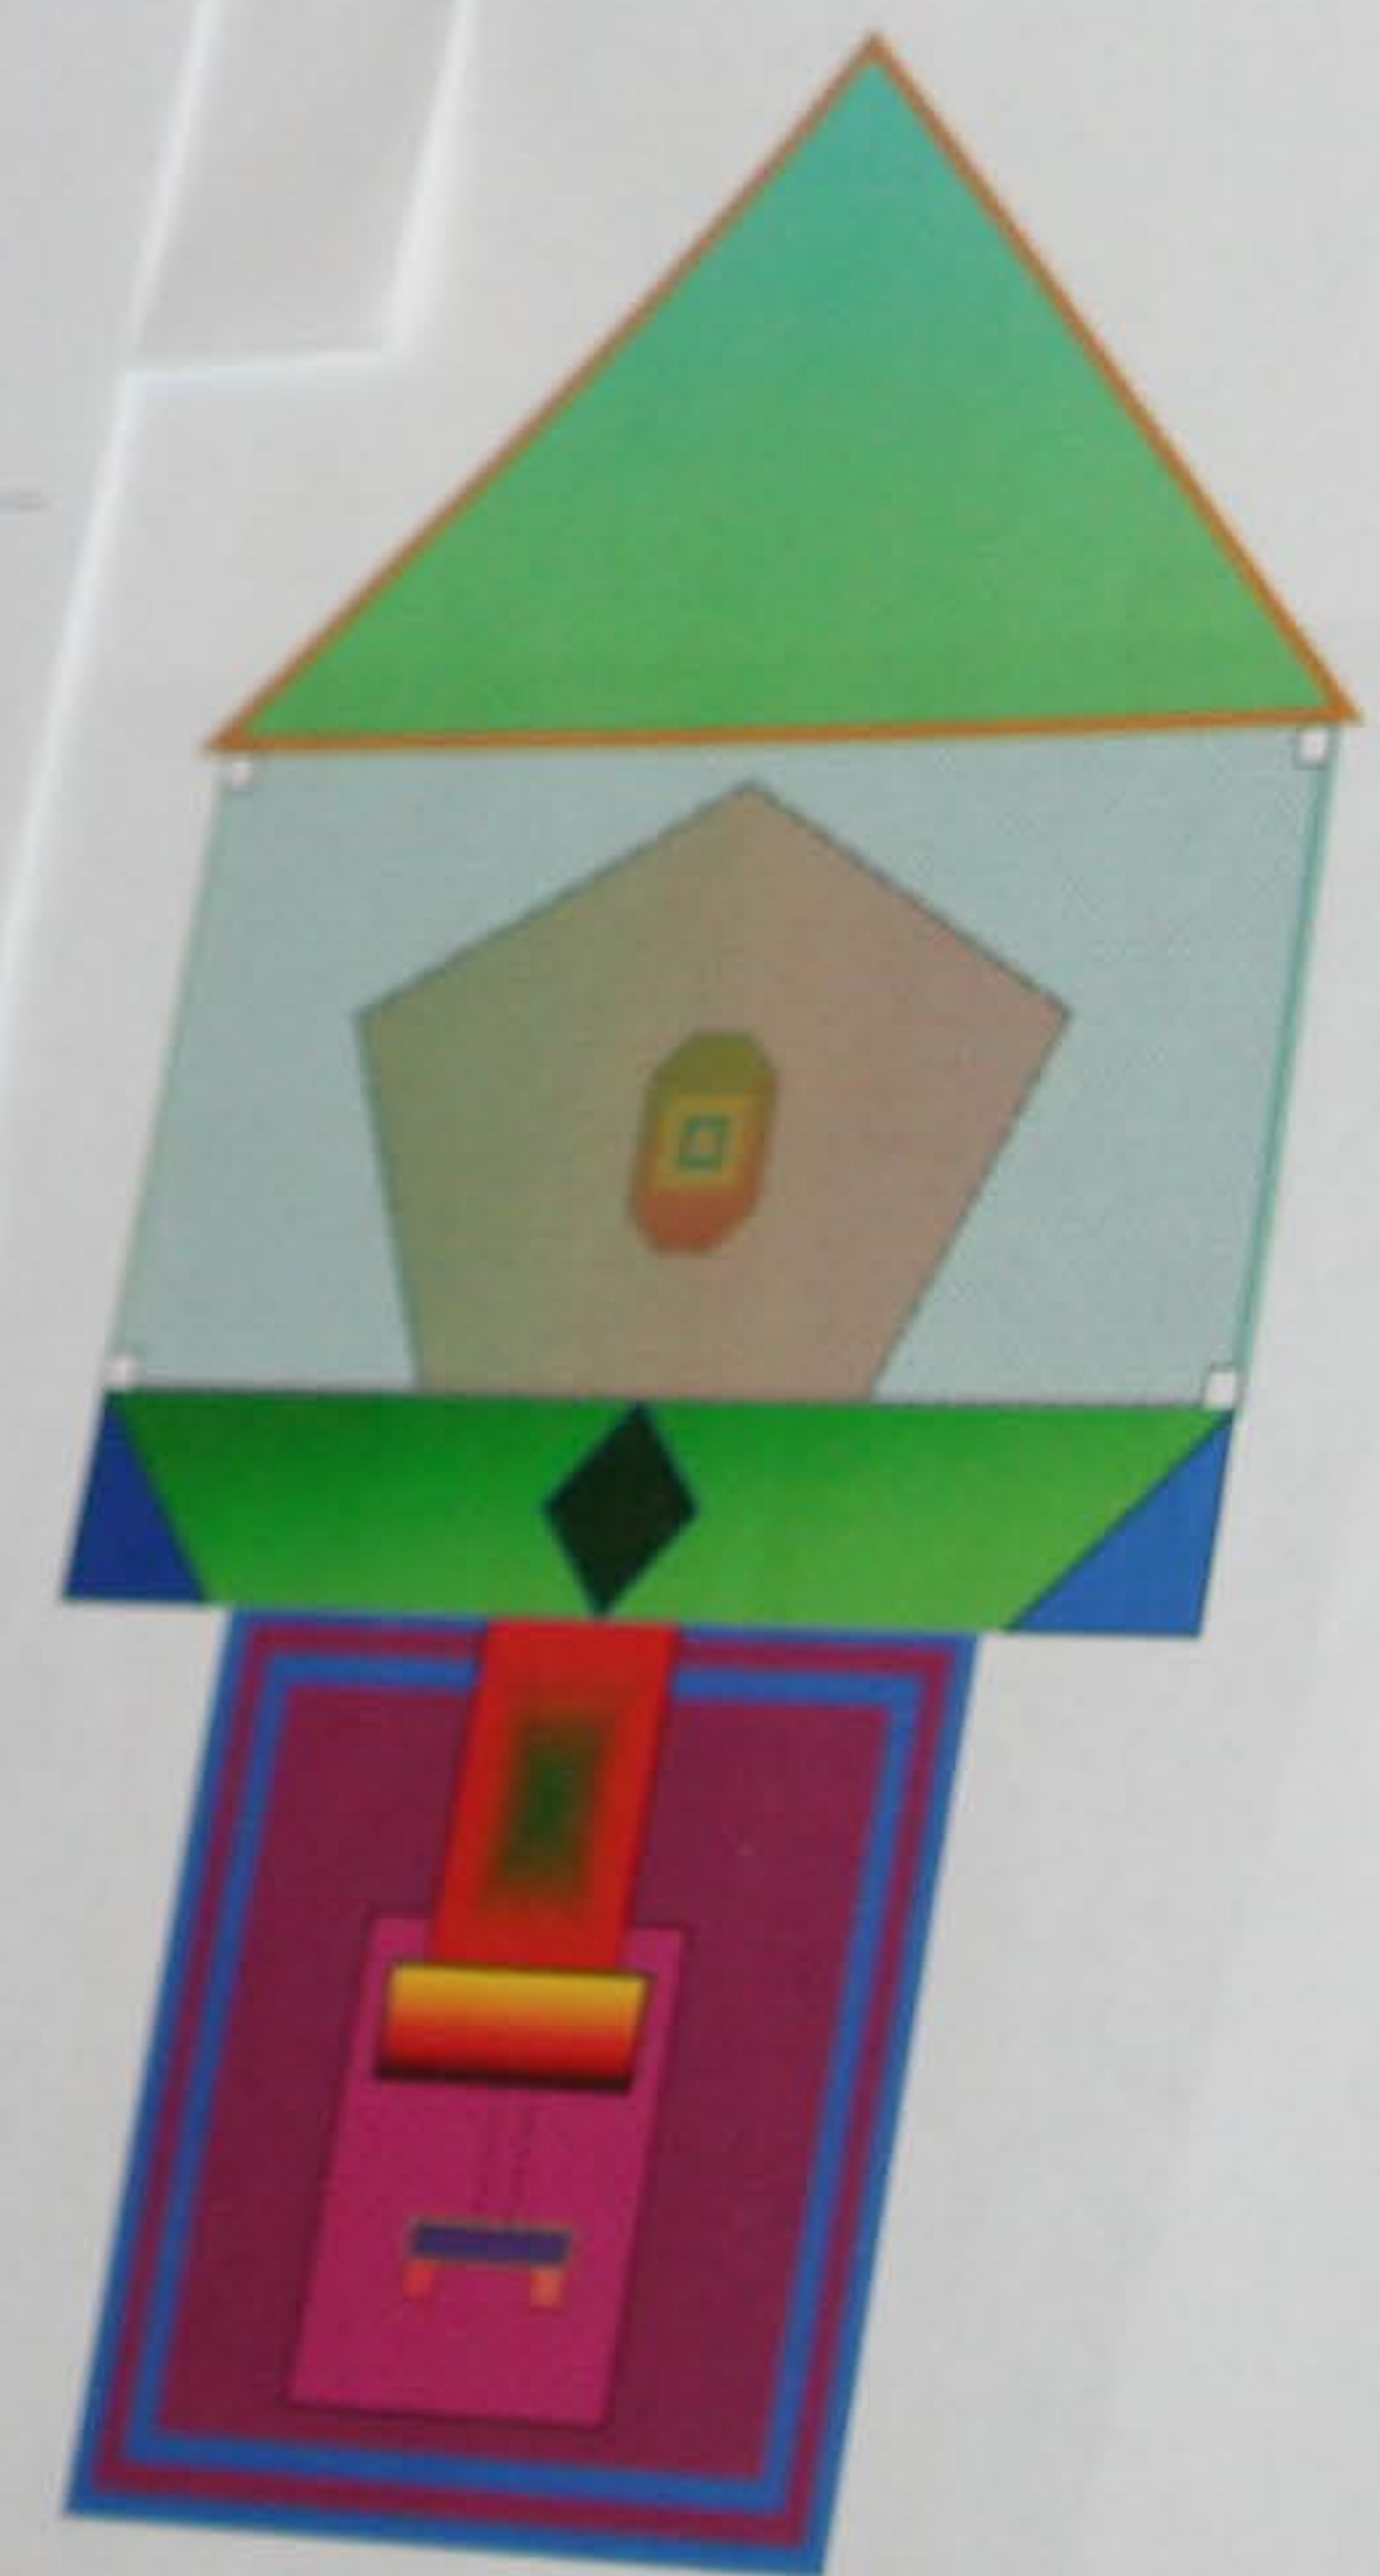

This hockey stick is the best long lasting and reliable stick at a low price going in the market at \$156.99. You will feel like a Spartan hockey player on the ice. Our best model is the Psycho Flex stick. It has the most flex 63.87flex that is why we named it Psycho Flex. We put a special material in it so when it flexes it

**Diamond Shine**

**GREAT WHITES BY MIRANDA RODRIGUEZ**

**The Super Computer**

This computer is the very best one in the country because it is faster than any other computer that you have ever seen. This computer is very cool. It comes in different colors and it folds into a ball so you could bring it anywhere with you. If you buy this computer you will have fast Internet to play games and check your emails whenever you are bored. You can also take to the park and play soccer with it since it turns into a ball. You will be able to buy this computer at any electronic store here in Montreal. The cost of this computer is \$6,99\$.

will love this computer so go buy it!
